 INTERCONTINENTAL.
SAN FRANCISCO

THE ONLY THING THAT CAN'T CHANGE ARE THE VIEWS.

Your perfect wedding begins with a space that's customized to fit you. Whatever your vision, our three dedicated floors of special event space give you nearly unlimited options. And while you enjoy the amenities only a large hotel can offer, your guests can feel free to socialize and relax in the intimate spaces each floor provides.

The Grand Ballroom

is the perfect space for an opulent evening. Its soaring floor-to-ceiling windows and lofty 20-foot ceilings provide the ideal backdrop for a seated meal and entertainment for up to 400 guests.

The Pacific Terrace

offers stunning views of the iconic vistas for which San Francisco is famous. An indoor private foyer makes a cozy greeting area for guests before entering the modernly designed outdoor space. The Terrace accommodates seated receptions or ceremonies for up to 400 guests and can be tented for cool-weather events.

The InterContinental Ballroom

seats up to 280 guests and provides arresting westward-facing views. Warm colors allow you to realize your vision, no matter what it may be.

GIVE YOUR GUESTS THE GIFT OF LUXURY.

A wedding goes beyond a ceremony and reception. At the InterContinental San Francisco, we specialize in ideal experiences for every guest.
