

INTERCONTINENTAL® SAN FRANCISCO

Conveniently located adjacent to San Francisco's magnificent Moscone Convention Center, and within a short, scenic stroll of the city's financial, entertainment and premium shopping districts, the new InterContinental San Francisco offers guests as many reasons to stay inside its cool-blue exterior as the city does to venture outside.

Adding to the city's sophisticated flair, towering 32 stories high, the InterContinental San Francisco's 550 guest rooms are luxuriously appointed with natural wood, marble and glass. The bedding is plush and the working areas large. And, of course, the views – of San Francisco's famous skyline, Golden Gate Bridge, Bay Bridge and South Bay. Club InterContinental guests enjoy even more indulgence, with high-speed Wi-Fi Internet access, continental breakfast, daily refreshments and specialty cocktails – all with our compliments.

For food and drink, our new San Francisco hotel features the critically acclaimed wine restaurant, Luce, offering innovative New American cuisine and a imaginative wine list. Bar 888 features epicurean bar bites and tantalizing Grappa based cocktails.

CONFERCING & BANQUETING

The InterContinental San Francisco is one of the city's most desirable destinations for meetings and events. The two ballrooms are nothing short of spectacular. The meeting rooms – all 21 of them, on three levels, comprising 43,000 square feet of flexible meeting space – all feature natural lighting. The conference and banquet facilities are the most technologically advanced in the city, equipped with capabilities for high-speed Internet access, ISDN lines, independent climate controls, and advanced security.

Coordinating it all, making sure everything runs smoothly and according to plan is an attentive staff of experienced caterers and a dedicated, multilingual team of conference service professionals. Additional services available include limousine, floral, photography, courier/messenger and a full-service Concierge.

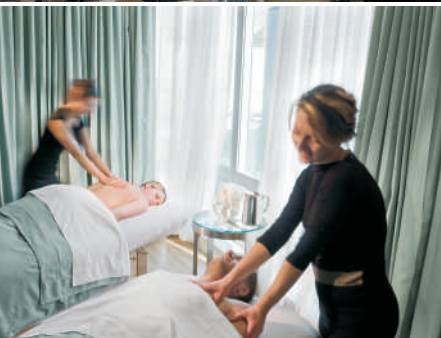

PAMPERING, RELAXING, & WORKING OUT

The InterContinental San Francisco houses the I-Spa, a veritable oasis of relaxation and tranquility, featuring 10 treatment rooms and an array of personalized special treatments and signature experiences performed by a team of therapists and qualified professionals. For more vigorous ways to relax and unwind, the hotel also offers a state-of-the-art, full-service fitness center and an indoor lap pool.
